### JOB CREATION AND INCENTIVE CREDIT

#### I. AVAILABILITY

This rider is available, under the Cooperative's Standard Terms and Conditions for Electric Service, to all new consumers and to existing consumers who are located on or near Cooperative lines. Service hereunder is limited to new and existing consumers who contract for and have an actual monthly demand of 100 kW or more in at least 8 out of 12 months. A contract for service is required for application of this rate schedule.

#### II. REQUIREMENTS

This rider is applicable to all kilowatt-hours (kWh) of a new Consumer or to the kWh in excess of the kWh purchased in the corresponding base year month for existing expanding Consumers.

The base period shall be the twelve months immediately preceding the month that the Cooperative receives a written request for service under this rider. The base period demand and energy shall be the monthly actual kW peak demand and energy usage experienced during the base period. Should the base period demand and/or energy not be normal for some explainable reason, the base period demand and energy shall be established as mutually agreed upon by both parties

#### III. APPLICATION

This experimental rider is available to qualified Consumers following approval by CAJUN Electric Cooperative, Inc.

This rider applies to all energy purchased by new Consumers and to all energy in excess of the energy purchased in the corresponding base year month for existing Consumers. The discounts apply during the months in which the Consumers load is at least 100 kW. In no event shall the revision of this rider schedule cause a change in any existing member's total bill.

VII. OTHER PROVISIONS

No other discount offered under the Standard Terms and Conditions of the Cooperative will be applicable to those Consumers served by this rider. The Customer will be required to supply proof of the number of full-time employees on a regular basis as determined by the Cooperative. Failure to provide appropriate documentation indicating employment statistics will terminate the use of Rider JCIC for the Consumer.

Refunds of all discounts will be required of all new and existing Consumers who do not create the number of jobs specified in the written contract. All other provisions not specifically identified in this Rider shall be as specified in Schedule D and shall apply to service under this Rider.
