SMALL POWER SERVICE

I. AVAILABILITY

Available to commercial, industrial and small power customers of the Cooperative located on its lines for service subject to the established rules and regulations of the Cooperative covering this service. Single-phase customers having their homes on the same premises may include farm and home service on the same meter.

Service under this schedule is limited to customers whose load requirements can be met by a transformer having a capacity not to exceed 100 kVA. Service under this schedule is not available to seasonal customers unless otherwise provided for.

II. TYPE OF SERVICE

Single-phase or three-phase at available secondary voltages.

III. PROTECTION

Protection of three-phase motors against single-phasing shall be the responsibility of the customer. Adequate overcurrent protection of all motors shall be the responsibility of the consumer. This protection shall be consistent with National Electric Safety Code and any requirements of local government agencies having jurisdiction over consumer premises.

IV. NET RATE

Monthly Service Charge	@ \$7.50 per month
All kWh	@ 4.529 cents per kWh

V. MINIMUM MONTHLY CHARGE

The minimum monthly charge under the above rate shall be \$7.50 when 3 kVA or less of transformer capacity is required. Each customer who requires more than 3 kVA of transformer capacity shall pay, in addition to the above minimum, 75 cents for each additional kVA or fraction thereof required.

VI. POWER COST ADJUSTMENT

The above charges shall be increased as determined under Power Cost Adjustment Clause PCA-SL.

VII. TERMS OF PAYMENT

The above rates are net, the gross rates being 5% higher. In the event the current monthly bill is not paid on or before the 20th day following billing, the gross rate shall apply.
