

We're ready to help You!

Starting July 16th, the statewide restriction prohibiting utilities from disconnecting services for nonpayment and charging penalties due to the coronavirus, (COVID-19), will be lifted.

SLECA understands that COVID-19 has affected our consumers, our community and our economy. In doing our part in assisting in the recovery, SLECA will offer arrangements to our consumers that have fallen behind on their electric bill due to this pandemic.

Please review the following [Additional Information](#) regarding arrangement plans by clicking on the links below. In the event you have any questions, please give your local Member Services Representative a call at 1-800-256-8826 for our Houma office and 1-800-256-8836 for our Amelia office.
